ARTISAN FACIAL THERAPIES

SUPERFOOD SEA VEGETABLE FACIAL 50 MIN/\$155

Live, raw facial treatment loaded with chlorophyll, spirulina, sea kelp, kale juice, chlorella, and sprouted mineral greens for optimal skin nutrition. Sea Plasma and Cucumber Elixir soothe and calm. Organic Aloe Vera combined with nature's most potent moisturizer, Hyaluronic Acid, will leave your skin deeply hydrated. Includes extractions and great for sensitive skin.

CLINICAL ACNE FACIAL 50 MIN/\$165

Designed as a solution for inflamed, irritated, acneic and congested skin. Deep cleansing followed by manual release of pore blockages. Specific tools are used to remove unwanted blemishes followed by anti-inflammatory soothing products to calm and hydrate your skin. Great for clients with problematic skin. Includes thorough extractions.

MEDITATION FACIAL 60 MIN/\$185

Therapeutic facial crafted for ultimate relaxation. Combining gentle skin care, music therapy and various massage techniques to help quiet the mind and promote wellness. This treatment will lull you into a calm sleepy state and you will awake with hydrated glowing skin.

CLEAN MINI FACIAL 30 MIN/\$85

Treatment gives you the most benefits of a full facial in half the time. Convenient option for people with busy schedules and little time to spare. Treatment is adapted to your individual needs.

\$30 OFF FULL SESSION FACIALS WITH CONSISTENT MONTHLY BOOKINGS

RECOMMENDED ENHANCEMENTS

THE PERFECT DERMA PEEL 30 MIN/\$275

Medium depth medical grade chemical peel with glutathione. Superior results for aging skin, acne, melasma, hyperpigmentation and scarring. Virtually painless with minimal down time.

DERMAPLANE: \$60

Surgical blade is used to painlessly remove peach fuzz, dead skin, and reduce topical scarring and fine lines. Visibly smoother skin after one treatment. No discomfort.

DECOLLETAGE TREATMENT: \$30

Recommended with every facial to reduce lines and sun damage on neck and chest area. Visible results after one treatment.

ENZYMES AND LIGHT PEELS : \$20

Manuka Honey - Pumpkin Enzyme - Lactic Acid - Salicylic Acid
Mild exfoliation designed to gently resurface the skin. Stimulates collagen and elastin production. Improves texture and tone.

FIRE & ICE RETINOL RESURFACING FACIAL 50 MIN/\$185

Intensive clinical treatment designed to resurface skin rapidly and safely with no down time. Dramatically diminishes fine lines and wrinkles while improving texture and encouraging cell renewal. Look like you've had Botox without the needles. Perfect before zoom meetings and special events. Includes extractions.

WILD BLUEBERRY ACAI FACIAL 50 MIN/\$165

Harness the raw power of superfruits! Clinical grade treatment with antioxidant rich organic blueberries and acai puree, combined with natural malic, citric and lactic acids to gently resurface the skin. This incredibly aromatic facial will leave you feeling fresh, polished, and extremely clean. Includes extractions.

1 HOUR MAKEUP MASTER CLASS \$150

As a professional makeup artist, I've had to camouflage scars, tattoos and skin discolorations. Minimize sagging eyelids, wrinkles, reduce facial puffiness and give models those sultry smokey eyes. In this course, I will show you tricks of the trade and ways to apply your makeup at any age. You will look fabulous in every photo, zoom meeting and special event.
